

MISSION

Zombie Invasion Prep addresses Pennsylvania Social Studies standards through project-based study of government, citizenship, history, geography, research, and psychology.

Students use a fictional zombie crisis to investigate why societies need rules and leadership, how communities respond to disaster, how fear shapes behavior, and how evidence can support complex arguments.

FIELD OPERATIONS // WHAT WE STUDY

01 // KNOW THY ENEMY
History • evidence
culture • definitions

02 // KNOW THYSELF
Fear • psychology
leadership • teams

03 // KNOW THY PAST
Disease • outbreaks
history • resilience

04 // PREPARE THYSELF
Emergency communications • first aid
mapping • knots • decision-making

05 // PREPARE YOUR SOCIETY
Government • public policy
sustainability • rebuilding
