

Z-Team Assignment

1

Know Thy Enemy

Assignment

- ∞ Create a zombie that describes itself by:
 - ∞ Cutting out a life size (or larger) zombie
 - ∞ Writing informative texts (1 per group member)
 - ∞ Combining informative texts with the zombie in an aesthetically frightening way

You will present your
zombie to the class

Basic survival team elements

- ❧ You don't know who is going to survive the invasion so you don't get to pick your team
- ❧ If someone is loafing they need to be cast out of the group, only group members who contribute will continue
 - ❧ If someone is freeloading and are not cast out of the group Mr. Boyce will turn them into a zombie and they will have to select another group member to become a zombie as well.
 - ❧ Zombies will complete an individual assignment

Basic survival team elements

- ❧ Groups perform best under leadership, either appoint a leader or become one
 - ❧ The leadership role is just as vital as every other role, treat the leader like a team member whose job it is to keep the group on track
 - ❧ Leadership styles based on personality

Basic survival team elements

- ☞ Take initiative under a lack of orders
 - ☞ Never find yourself with nothing to do
 - ☞ Begin with the end in mind
 - ☞ Make a plan that accounts for everyone
 - ☞ Communicate Constantly
 - ☞ Hustle where you can
 - ☞ Keep an eye on the clock

Assessment: Self-Directed Learning

- ❧ Get together and review the rubric while discussing what you want to end up with
- ❧ Plan: Write down a plan that includes the specific tasks you will have to complete
- ❧ Action: Hold one another accountable to completing the plan and make adjustments as needed
- ❧ Result: Review the final product and ensure self-assess on the rubric

Assessment: Aesthetics

Zombie Aesthetics 	o information is well-placed, in appropriate font size and does not detract from the overall aesthetic of the zombie o zombie life sized, frightening in appearance and includes attempts at various artistic techniques (shading/crosshatching etc...)	o information is well-placed, in appropriate font but does detract from the overall aesthetic of the zombie o zombie life sized, frightening in appearance does not includes attempts at various artistic techniques (shading/crosshatching etc...)	o information is poorly-placed, in inappropriate font but does not detract from the overall aesthetic of the zombie o zombie life sized, but is not frightening and does not attempt any artistic technique (shading/crosshatching etc...)	o information is poorly-placed, in inappropriate font and detracts from the overall aesthetic of the zombie o zombie small and sad and there is nothing good to say about your zombie construction
---	---	---	--	--

✧ The overall aesthetic of the zombie should be purposeful, you may take creative liberties but ensure you can justify any deviation from the rubric

✧ Crayons are your best bet for this requirement. Only use markers to outline. Materials are in the back of the classroom on the file cabinets. Put materials back after use.

Assessment: Strategy

Strategy in a Zombie Invasion	o group produced a clear argument for its overarching strategies effectively utilizing (3+) historical real-world references to support the decision o gave evidence (1-2) to refute other viable options.	o group produced a clear argument for its overarching strategies effectively utilizing (2) historical real-world references to support the decision o <u>gave</u> well-reasoned or strongly supported opinions to refute other viable options.	o group produced an argument for its overarching strategies effectively utilizing (1) historical and real-world references to support the decision o gave weakly supported opinions to refute other viable options.	o group produced an argument for its overarching strategies effectively utilizing (0) historical and real-world references to support the decision o gave no opinions to refute other viable options.
--	--	--	--	--

- ❧ Strategies are not tactics, these are overarching goals and methods (on the road, hunker down, etc...)
- ❧ Utilize the PDFs 'Survival' folder in the '2018 Zombie Prep' folder.
 - ❧ Cite your sources in accordance with the PDF name (S-A, S-B)
 - ❧ Cite real world examples of people using your strategy in a disaster (i.e. evacuation, shelter in place)

Assessment: Roots

Should we Call a Zombie a Zombie? Historical Roots of Zombies	o group produced a clear argument, utilizing references (2+) as well as lived experience (2+) to discuss the pros and cons of calling zombies "zombies" o group discussed 3+ different 'origins' of zombies utilizing different genres of the zombie	o group produced a clear argument, utilizing references (1) as well as lived experience (1) to discuss the pros or cons of calling zombies "zombies" o group discussed 2 different 'origins' of zombies utilizing different genres of the zombie	o group produced a vague argument, utilizing references (0/1) or lived experience (0/1) to discuss the pros or cons of calling zombies "zombies" o group discussed 'origin' of zombies utilizing different genres of the zombie	o group produced a vague argument, utilizing references (0) and lived experience (0) to discuss the pros or cons of calling zombies "zombies" o group discussed 'origin' of zombies utilizing different genres of the zombie
---	--	--	---	--

- ✧ Write an argument (1-3 paragraphs) that gives the most valid points of calling zombies a "zombie" and contains
- ✧ Utilize the PDFs 'Origins' folder in the '2018 Zombie Prep' folder.
- ✧ Cite your sources in accordance with the PDF name (S-A, S-B)

Assessment: Fear

Fear, Anxiety and Survival ☐	o group produced a literature review of fear, anxiety, and survival (3) as it applies to a zombie invasion (one for reference each category) o group produced a clear conclusion of the likely short term and long-term effects of a zombie invasion on the teenage demographic	o group produced a literature review of fear, anxiety, or survival (2) as it applies to a zombie invasion (one for reference each category) o group produced a clear conclusion of the likely short term and long-term effects of a zombie invasion	o group produced a literature review of fear, anxiety, or survival (1) as it applies to a zombie invasion (one for reference each category) o group produced a clear conclusion of the likely short term or long-term effects of a zombie invasion	o group produced a literature review of fear, anxiety, or survival (1) as it applies to a zombie invasion (one for reference each category) o group produced a clear conclusion of the likely short term or long-term effects of a zombie invasion
---	---	--	---	---

- ✧ Write a review (1-4 paragraphs that can be independent from one another) about the most relevant points concerning fear anxiety and survival in a zombie invasion that includes the impact on teens
- ✧ Utilize the PDFs 'Fear' folder in the '2018 Zombie Prep' folder.
 - ✧ Cite your sources in accordance with the PDF name (S-A, S-B)

Assessment: Typography

Types of modern Zombies				
	o group developed a typology of zombies that classified zombies into 5 unique categories	o group developed a typology of zombies that classified zombies into 4 unique categories	o group developed a typology of zombies that classified zombies into 3 unique categories	o group developed a typology of zombies that classified zombies into 2 unique categories
	o group placed 15+ separate types of zombies into the typology system developed	o group placed 10-14 separate types of zombies into the typology system developed	o group placed 5-9 separate types of zombies into the typology system developed	o group placed 0-5 separate types of zombies into the typology system developed

- ∞ Create and **original** typography of modern zombies
- ∞ Categorize zombies in relation to the types you created with references to the shows/movies/books they originated from

Helpful Hints

- ❧ Start with a good understanding of what you need to end up with
- ❧ Split the task and complete portions of it on separate pieces of paper and glue them onto the zombie
- ❧ Start making the zombie early and leaving room for the separate sections
- ❧ Do what you are best at first and work in small teams to complete what you struggle with
